QUALITY AND ETHICAL ASSURANCE

All our materials are sourced from accredited supplier partners who meet our standards both in terms of quality as well as ethics. You can rest assured that our own factories, near Sheffield in the UK and Zhang Pu in mainland China also conform to these standards. Full details of accreditation of both our material suppliers and our factories are available on request.

Canopy choices

- air vent allows gusts of wind to pass through the canopy for outstanding all weather performance
- this canopy features sixteen panels so striking colour contrasting designs can be accommodated
- double tie wraps secure the special canopy when the umbrella is furled
- available in Classic Round and Square shapes

Frame details

Handle options

for most styles, a selection of alternative handles is available in addition to the standard handle and these are shown on each product page. Many other styles are also available but might be subject to a minimum order quantity and an additional delivery time; please let us know your specific requirements.

Opening and closing details

Automatic opening

depressing handle button when closed will open the umbrella automatically. The umbrella should be closed manually.

Automatic opening and closing

depressing handle button when closed will open the umbrella automatically. Depressing handle button when open will automatically close the umbrella.

Bespoke

Tailor-made Service

If the item you are seeking is not available in these pages, we can offer a highly bespoke made-to-order service.

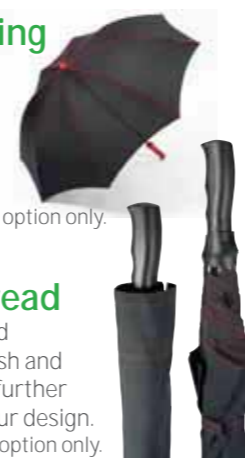

Colour Piping

a stylish finishing touch can be added to any seam in any colour. 7 - 8 weeks delivery option only.

Colour Thread

contrasting thread colours are a stylish and low cost way for further differentiating your design. 7 - 8 weeks delivery option only.
